

DISSECTING DIRECTIONS

1. Read all the directions once to get familiar.
2. Re-Read directions, but this time fill out the table as you go:

| | |
|---|--|
| <p>What are the tasks? Do you need to repeat these for each problem? There may be more than one!</p> <p>○ ○ ○ ○</p> | <p>Do the directions say what an answer looks like? Will it need to be a complete sentence? Write the example.</p> |
| <p>What step are you going to do first?</p> <p>1.</p> | <p>What supplies will you need or can you use to help you?</p> |
| <p>What step will you do next, and then after that?</p> <p>2. 3. 4. 5.</p> | <p>Are there any words you don't know and need to look up before getting started?</p> |
| <p>What questions do you have? Can you find the answer on your own? If not - get help!</p> | <p>Other Notes:</p> |
